- Volunteers and operators in the organisations

TYPE OF TOOL

Workshop

DURATION

3,5 hours

MAIN FIELDS OF ACTION

SDGs Awareness
Sustainability

RELATED SDG

[13 - Climate Action](#)

DESCRIPTION

This is an online workshop that brings together participants from different companies to teach them about climate change and the levers of action within the professional context so that they feel empowered to take effective actions as employees and citizens. To implement it you need that they have electronic devices.

For individual participants, the workshop is free.
